Description

NORTH VIEW EAST FARLEIGH FORGE LANE, EAST FARLEIGH, MAIDSTONE, KENT We're aware of a leak on our network and are doing all we can to get it fixed. Our contractors have been instructed to carry out repairs as soon as possible under reference 35625355 . During this recent period of hot weather, we've seen a 50 per cent increase in leaks and bursts across our supply area caused by ground movement due to the lack of rainfall and drying of the soil. We're reacting to and repairing these as quickly as we can, prioritising leaks and bursts according to severity. Every drop counts, if you see a leak, do report it on this site.
